Harborough Jazz Celebrates

This will be the Fifth Season for Harborough Jazz in its current format since the restart in 2005. At the time of the restart, little did your Committee think that HJ would survive to the end of the First Season, let alone get to the Fifth. We thank all of our Members who continue to support us, and particularly those who have been with HJ right from the very start. Without the support of the Members, Harborough Jazz would not have survived. Thank you all. Please continue to support HJ in the future; we need you.

JUNE 2010 – JAZZ ON A SUMMER'S DAY YET AGAIN!

Although JOASD ... A 2009 was a great musical success, it was not a financial success, as you will discover from the report that follows. However, we do intend to repeat it at the end of this Season. The date will be Sunday 27th June. Please reserve this date in your diary now. We will let you know more in the next Newsletter by when we will have finalised the bookings and the ticket prices. There will be some changes to the format, band playing times and the finish time as a result of what we have learnt in 2009.

Jazz On A Summer's Day Again (aka The Big Gig ... Again)

This year the weather was initially set fair and we had a brand new framed marquee, erected by courtesy of Lamport Hall. This marquee was a big improvement over the one we had last year, and the weather was so pleasant that we were able to open two sides. When the sun eventually disappeared and the rain came, fortunately it coincided with a change of bands. Everyone then scuttled into the shelter of the marquee, where we cosily enjoyed the last concert of the day. All of the bands played very well, as a result of which we heard some really great music. However, although 25 Members of HJ bought 90 tickets for themselves, friends and acquaintances, the audience was down to 143 from 201 last year. As a result, HJ made a loss of about £400. The day was thus an outstanding musical success, but it was not a financial success. In spite of this, we have the encouragement of Lamport Hall Preservation Trust to continue. The event will be repeated, with changes, next year. We have had ongoing support and help from the staff at Lamport Hall, and we thank all of them for that.

Membership Subscription To Rise?

Amongst other things, the costs of administering HJ increased substantially last season. Additionally, in spite of our best efforts, the number of Members has remained static. It may thus be necessary to raise the Membership Subscription from £10 to £12. If we have to do this, it will still be excellent value for money, and we ask you to continue to support us.

Increased Publicity

If anyone has any really good ideas, particularly for JOASD ... YA, please tell us!
